* INSTRUCTIONS FOR PATIENTS HAVING AN ANESTHETIC *

1. Do not eat or drink anything for 6 hours prior to your appointment. No liquids or food of any kind. This is extremely important.
2. Arrange for a relative or friend to drive you home after the operation.
3. You should not drive or operate machinery for 24 hours after the procedure.
4. Eat a light digestible meal the night before the operation.
5. Get plenty of rest the night before the operation.
6. Do not drink alcoholic beverages the night before or smoke for at least 12 hours before surgery.
7. Please wear loose fitting clothing with sleeves which can be rolled up past the elbow, and low-heeled shoes.
8. Contact lenses, jewelry, facial and oral piercings must be removed at the time of surgery.
9. Do not wear lipstick, excessive makeup, or nail polish on the day of surgery.
10. If you have an illness such as a fever, cold, sore throat, stomach or upset bowels, please notify the office.
11. If you take routine oral medications, please check with Dr. Schmitt prior to your surgical date for instructions.
